**4.1: President's Report for December**

December was a rather busy month: even without Christmas 😊

I attended a Volunteer Reception at Ellis House, Sue and I ran the popcorn machine at Bunnings, we travelled on the inaugural Ellenbrook train, lots of people enjoyed our Christmas Party and we held a sausage sizzle at Bunnings! Along the way we also managed to fit in watching a lot of cricket: either live at the Stadium or the Test Match on TV. Oh, and of course there were Christmas festivities!

The volunteer reception at Ellis House was organised by the Kiwanis Club of Perth and was attended by a range of different Volunteer organisations from all around Perth and during the afternoon I was presented with a number of certificates recognising the volunteers at MHPA. Bunnings regularly run community events throughout the year and for this particular Christmas-themed event, Sue and I volunteered to run the popcorn machine – the event ran for around 3 hours in the late afternoon / early evening, attracted a good crowd of families from around the Bayswater area and it gave us a good opportunity to advertise MHPA and extol the attractions of our part of the City! I was delighted that MHPA was invited to send representatives on the inaugural train ride to Ellenbrook and the morning was a great experience. Along the way, we met up with Jeremy Edwards (CEO of the City), Dan Bull, Lisa Baker and Alannah Clohesy all they all expressed their ongoing support of MHPA and what we are doing for the Community. The MHPA Christmas get-together was fun and so well-attended this year. Because of the high number of acceptances, we talked to Doruk and decided to split our group onto 2 tables. Personally, I feel that arrangement worked better for

chatting and circulating. Amidst the chatter and avalanche of orders to be served, I thought that the staff were great.

And there was the infamous the sausage sizzle. I am so appreciative of the people that volunteered for this and who went above and beyond on the day. The temperature hit 40°+ by midday and Bunnings decided to close us down after one of the volunteers fainted. A huge thank you to Greg for delivering the left-over food to St Barts. We donated the left-over drinks to Maylands Rotary for their free BBQ that was held on the 27<sup>th</sup> on the Maylands Foreshore. Those gestures were sincerely appreciated by both organisations. Despite having to shut down early - and thanks to a contribution from Bunnings of \$750 - we managed to turn a profit of just over \$1000.

And on top of all of that, I have been spending a lot of time developing the materials for the "Aerodrome 2.0" display that will be launched at the AGM. More about that at our next meeting. In the meantime, my thanks to everyone who helped make the last year a busy - but very successful - time for the Historical Association
